<p>Key claim disclaimer</p>	<p>*ironable fabrics</p>
<p>Key visual</p>	
<p>Short description detail</p>	<p>High-Pressure Steam Generator GV7556 Purple Designed for simplicity seekers, the easy-to-use Express Easy features "no-setting-needed technology": no more need to sort your linen and no risk of burning your fabrics. A high-pressure steam generator with concentrated steam boost, Express Easy is also equipped with Tefal's exclusive calc-collector, which captures calc particles day after day, guaranteeing long-lasting performance.</p>
<p>Editorial description title</p>	<p>Durable and convenient for easy ironing</p>
<p>Editorial description detail</p>	<p>The Express Easy high-pressure steam generator takes the guess work out of ironing. Featuring smart technology, ironing becomes intuitive, with no settings needed and a consistently perfect combination of temperature and steam adapted to your fabric. It is also equipped with Tefal's exclusive anti-calc collector, making it particularly durable and long lasting. Rounding it all off, its convenient water tank can be refilled at any time, ideal for prolonged ironing sessions.</p>
<p>Other disclaimers (for long ref benefits)</p>
